## STYLE IN PHILLY

Tracey Neithercott, STYLE's beauty editor and resident product junkie, discusses hair and makeup trends, health issues and get-fit tips. Got a question? E-mail her at [tracey@dlgmedia.com](mailto:tracey@dlgmedia.com).

### Making Waves

If your last attempt at Giselle Bundchen waves left a ring of curling-iron burns around your neck, invest in the latest must-have styling tool. Created by celebrity stylist Kevin Ryan and Frank Rizzleri of New Jersey's

Rizzleri salons, the R Session Tools Nalu Waver makes it easy for novice stylists to weave hair into rippling waves.

Heat settings of up to 430 degrees ensure your style sets, and ceramic barrels protect locks from frying. Get yours [online](#) or call 1.866.910.2992.
